Life's a little easier with

You can keep your clients happier and your office running smoothly by avoiding these four most common **EITC** errors:

1. CLAIMING a child who is not a qualifying child
2. FILING as single or head of household when married
3. REPORTING income incorrectly
4. USING incorrect Social Security Numbers or the wrong last name for anyone listed on the return

## EITC ASSISTANT

Your clients may think they qualify for the **EITC**, but not all of them do. That's why the IRS created this easy-to-use interactive tool that lets you show your clients if they qualify for the **EITC** or not and why. The **EITC** Assistant is a:

STEP-BY-STEP process walking users through each eligibility requirement, including:

- Am I ELIGIBLE?
- What is my FILING STATUS?
- Do my children QUALIFY?
- How much is my CREDIT?
